Dear Dan,

Thank you very much for your contribution of five gift certificates for teeth whitening to the 2014 Shaaray Tefila Gala & Auction. Because of your generosity, we are able to report that this was our most successful Gala ever!

Your support honors the meaningful social justice work of Karen and Lewis Altfest over the past 35 years and celebrates the legacy of Shaaray Tefila's deep commitment to social action. With your help, we can continue to touch the lives of: 140+ adults with a hot meal each week at our Soup Kitchen; 90 homebound Jewish elderly in our community with holiday care packages and visits three times per year; residents in impoverished neighborhoods in New Orleans, Memphis and Israel with rebuilding efforts by our teens; seniors who join us each Monday with movies, art classes and sociability; needy families with blankets hand-knit by our Sanctuary Stitchers; hundreds of hungry New Yorkers with bagged lunches made by Sandwich Saturday volunteers; individuals served by our partner community organizations with meals, entertainment and painted walls on *Mitzvah Sundays*; and deserving children with toys, books and clothing donated through the Nursery School *Mitzvah* Program.

You have enabled our community to realize the ideal of *tikkun olam*, repairing the world and for that we are truly grateful.
